## **Engle Martin Opens Two New Offices Expanding Service Coverage in Texas and Washington, D.C.**

Company's Targeted Growth Continues with 32 Offices Nationwide

ATLANTA, November 4, 2010 - [Engle Martin & Associates, Inc.](#), a leading commercial loss adjusting and claims management firm, extended its national network of offices with the opening of two new locations in October.

Says CEO Kevin Engle, "Engle Martin's plan for targeted growth continues as we expand our company into new markets, bringing us to 32 offices across the country. With the increased geographical presence, we are ensuring that we have the capacity and experience to continue to create our clients' expectations."

### **Washington, D.C. Office:**

Recognizing a need for a presence in the Mid-Atlantic region, opening the Washington, D.C. office positions Engle Martin to efficiently respond to clients' needs within the southern coast of Maryland and the surrounding areas of Virginia such as Norfolk, Virginia Beach and Richmond.

Mike Fink, General Adjuster, was promoted and relocated from Engle Martin's Los Angeles office to open the Washington, D.C. office. Fink spent the last two years in Los Angeles with Engle Martin, following his tenure at Liberty Mutual Property in both Atlanta and Los Angeles. Fink's adjusting experience includes claims resulting from significant natural catastrophes, in addition to daily large commercial losses throughout the country. Joe Slane, Regional Manager, will oversee the daily operations of the Washington, D.C. office. According to Slane, "We dedicate time and resources to train and mentor our adjusters in the field in an effort to build a clear career path for them. Fink's promotion is a result of his dedication to Engle Martin and our clients."

### **South Texas Office:**

The opening of the South Texas office, located in Edinburg, is Engle Martin's fourth Texas location. The company opened its Dallas office in 1998, Houston in 2006, and most recently, Austin in 2009. The new office positions the company to better serve the entire state, enabling Engle Martin to provide claims services to the Lower Rio Grande Valley, including cities such as Brownsville, McAllen, Harlingen, Corpus Christi and Laredo.

Lee Evans, Senior Property Adjuster, relocated from Engle Martin's Houston office to open the South Texas office. Evans has over 20 years adjusting experience and, prior to joining Engle Martin earlier this year, spent his career working as an independent adjuster in addition to working with insurance companies, CNA Insurance and Aetna Insurance.
