Engle Martin & Associates, Inc. Celebrates 15 Years in the Insurance Industry

ATLANTA – March 12, 2012 – Engle Martin & Associates, Inc., a leading national independent loss adjusting and claims management firm, has reached a milestone this year, celebrating its 15th Anniversary.

Founded on the belief that the marketplace would respond to a firm focused on superior technical quality and a commitment to the highest level of client service, Engle Martin has grown from a regional loss adjusting company, to a national, multi-faceted firm. The organization continues to expand, having opened an office in Albuquerque, New Mexico during Q4 of 2011 and opening its 38th office, located in San Antonio, Texas, last week.

Throughout its history, Engle Martin has expanded its service offerings based on the needs of its client base. Last year, the company formalized its Specialty Loss Group, comprised of Engle Martin's elite staff of Executive General Adjusters, dedicated to large, complex losses. In addition, the Inland Marine division, consisting of top industry veterans, was redefined in 2010 with an emphasis on Specialty/Heavy Equipment, Transportation, and Cargo claims. EMCAS, Engle Martin's TPA/Claims Management division, has also experienced considerable growth, offering national coverage, including separate Property, Subrogation, Specialty Claims, General Liability and Commercial Auto departments.

John Quinn, President and CEO, shared "We owe our success in the marketplace to our clients and our exceptional staff. We appreciate the mutually beneficial relationships that we have established with our clients over the years and recognize that our growth is entirely a function of their feedback, loyalty and support. Our talented staff of insurance professionals are the core of our business and enable us to provide the technical and quality product that we deliver to our clients every day."
