

10 Questions for Teresa Jackson

Teresa Jackson
Casualty Claim
Director
EMCAS

1. What is your current role/job position with Engle Martin and what does that entail?

I have been with the company for 13 years. Currently I am the EMCAS Casualty Claim Director. I oversee a great, experienced team of employees with a diverse liability background which includes 2 remote adjusters, the Atlanta office, and the Philadelphia office. We adjust Commercial Liability claims. That is, if you can be responsible for an injury, an item, or a service, we can handle the liability claim for the same.

2. You are planning your dream vacation. Where are you headed and why?

It would be a trip which would allow me to visit and be immersed in South America. I want to learn to speak Spanish and how better to do it than be in an immersion program in South America.

3. What is your favorite type of music? Favorite musician(s)?

My first love is Gospel – it reaches way down into a person’s soul. My second love is Jazz - it helps me to chill out. My favorite musicians are Marcus Miller and David Sanborn

4. What was your first job (and/or what jobs did you have before entering the Insurance industry)?

My very first job was as a dance instructor. Taught jazz and modern dance genres to girls age 3-18 while working at believe it or not, McDonald’s at night...Great life lessons learned at both jobs!

5. Who would you cast to play you in a movie and why?

Angela Bassett...She’s a timeless actress and has played a variety of roles. She is a student of her craft. I get a sense of realism when I see her act.

10 Questions for Teresa Jackson

5. What are three things you cannot live without?

Faith, Family, and a cool pair of Shoes ---- Gotta have 'em.

7. Finish this sentence: in my free time, I like to:

Dance, go on long hikes, and go SHOPPING!!!!

8. If you could interview one person, dead or living, who would it be and why?

My great grandmother. She was an herbalist and a midwife. However, she passed before I got a chance to know her. I would love to get her perspective on life and how it relates to us now, socially, politically, and financially. More importantly, has the essence of the world really changed that much....Considering there’s a move in this country to get back to natural products, as an herbalist what impact if any would she and others like her have on our society today?

9. Name one thing on your bucket list.

Going to Africa; the cradle of civilization. I want to see the jungles of Madagascar, diamond mines in Cullinan, and see the capital in Cape Town.

10. What is the most adventurous thing you have ever done?

White water rafting on the Colorado river.
